

SAINT JOHN'S ACADEMY

*Red & White Gala*

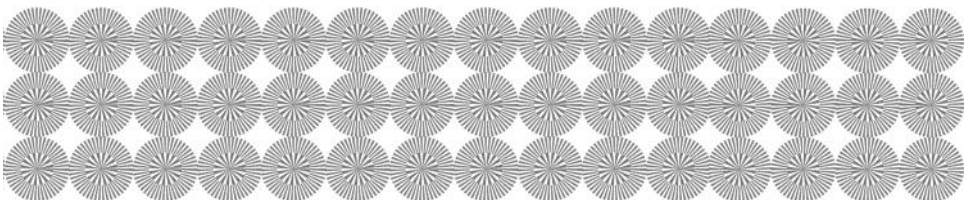

## From the Principal:

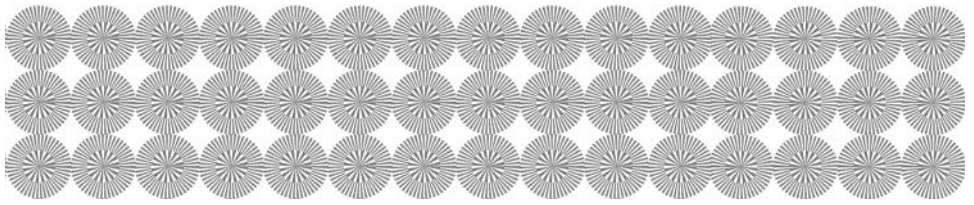

Welcome to the Saint John's Academy 21st Anniversary Red and White Gala hosted by our Parent Teacher Guild (PTG). For twenty-one years, our school community has demonstrated the passion and drive to make this event the success it is today. The enthusiasm and commitment of the volunteers is truly inspiring.

The Red and White Gala is an essential component to the continued success and sustainability of SJA. The gala helps provide the necessary resources that our school needs not only for the operating budget, but other meaningful initiatives to benefit our students. Beyond the role that dollars play to help finance daily operations, SJA uses alumni, parent and community participation in the gala, and other fundraising initiatives, to demonstrate to others that the school is effective and supported.

We are proud of our students and the quality of our Catholic education. Today, more than ever, there is a need for caring, civic-oriented, educated individuals. St. John's Academy prepares students to meet the academic demands of high school and the challenges of the world beyond. Our mission is to strengthen religious faith, promote academic excellence, and develop social responsibility and leadership in the students in our community. Our dedicated faculty and staff go the extra mile to ensure that each child receives the necessary support and guidance to achieve his or her goals.

Thank you to the numerous donors and sponsors for their bountiful giving. This is an exciting evening to reflect on the past accomplishments of SJA and the enthusiasm of our current community to maintain and grow our school as one of excellence.

Thank you to the Parent Teacher Guild and the dedicated volunteers who have taken on the formidable task of making this a successful, enjoyable evening that will benefit the students, faculty and staff of Saint John's Academy.

Thank you for the leadership, commitment and passion of our talented pastor, Monsignor Peter Smutelovic (Father Peter) who from beginning his position in September 2020 has demonstrated his commitment to Catholic education through his unwavering support of St. John's Academy. This year's event would not have been possible without him. We are grateful and blessed to be able to have our event in the beautiful St. John the Baptist Parish Center. We are one St. Johns - one community united in our faith!

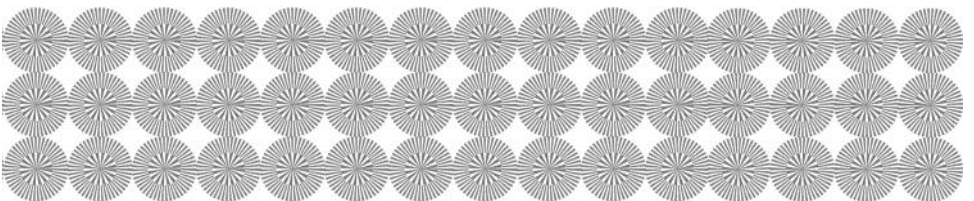

Enjoy the SJA 21st Anniversary Red and White Gala - a wonderful tradition!

May God bless St. John's Academy.

In His service,

*Suzanne Socha*

## From Our Gala Co-Chairs:

The time is finally here! Volunteers have worked tirelessly, and attendees have waited patiently for the SJA Gala. Even though we are not able to celebrate in the traditional way, we are still excited for this incredible event.

The Saint John's Academy PTG proudly presents the 21st Annual Red & White Gala. This event is the culmination of an incredible amount of work from the entirety of the SJA community, especially the Gala Committee, an inspiring group of passionate and energetic volunteers. We are especially encouraged by the large number of new faces in the ranks of our volunteers and Committee for the past two years .

This event would not exist if not for the unbelievably generous group of donors that provided gifts for the evening's festivities. Their names are in this program, please support them in our community.

Thank you to our wonderful PTG President, Katie Barra, the model of stability and thoughtful support.

The Gala couldn't happen without the support of SJA's staff and administration - Principal Suzanne Socha, Penny Jackson, Cathy Persico, Heather Hurley, Carol Fuhrman, and Blaise Vicini. We are blessed to have them as a part of this important event. Finally, we would also like to send a big thank you to Msgr Peter and his staff at St. John the Baptist for graciously giving us the space to host our event and for their continued support.

We do this for our children and their school because we acknowledge the importance of a high quality, Catholic education. Your attendance and support of our mission is always appreciated and never overlooked. Thank you for sharing in this special evening with us and we hope you have a great night.

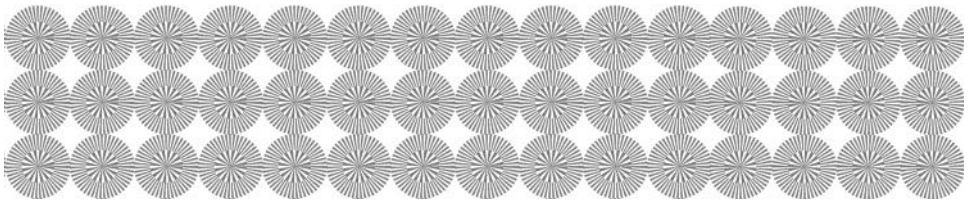

God bless you and God bless SJA!

## From Our PTG President:

Welcome to the 21st annual St. John's Academy Red & White Gala. This event is a highlight for our PTG (Parent Teacher Guild) and would simply not be possible if not for our wonderful community and amazing Gala Committee. Over the years, the Gala has grown to become our school's largest fundraiser, drawing attendees from all over the county and beyond. And what a year this has been! I am in awe of how this team has managed to persevere through all of the ups and downs of this pandemic and reconceive this magical night with such spirit and dedication.

I would like to express my heartfelt thanks to Deneen Williams, Caroline Wright, and the entire Red & White Gala Committee for the many hours of work that you put into this evening. Your time and talents have made this event a huge success, and I am deeply grateful for your efforts.

I would also like to thank Principal Socha and the rest of the incredible staff at St. John's Academy, who show up every day for our children to provide an education in Faith, Academics, and Service. Our students are thriving because of your commitment and devotion. We are so fortunate to have you all.

Lastly, special thanks to you, our guests, who have stuck with us over the past 12 plus months as we postponed, delayed, and postponed again in order to make this a safe and enjoyable night for all. We are beyond grateful for your flexibility, understanding, support, and most of all participation in today's reimagined version of our Red & White Gala.

Wishing everyone and fun filled and lucky night!

God bless St. John's Academy.
