# ST. JOHN'S ACADEMY

## Parent Teacher Guild (PTG) Sponsorship Opportunities

On behalf of the school community at St. John's Academy, I want to thank you for your generous monetary donation(s) over the years.

In order to keep our wonderful school working, we are graciously seeking your continued support for the next academic school year.

To streamline the process, please see the attached letter with many of the events that could benefit from your generosity. Simply check off where you would like your donation to go and I will follow up shortly after receiving your response. We are hoping to contact you one time per year, rather than continually throughout the year.

SJA's first big event is right around the corner, our annual Fall Festival. This is a wonderful community day for our students, families and all of our neighbors.

As a corporate sponsor, your company's name will be prominently displayed as a sponsor at the event(s) and we welcome any corporate branded items to be included in our events' "swag bags" as a means to further support your company. In the past, companies have donated things like pens or other small branded products, along with flyers, business cards and coupons, for inclusion in the swag bags which are gifted to all attendees.

Once again, thank you and we hope to continue working together to help further Catholic education!

With our most sincere gratitude and appreciation,

Luisa Grano
