

Dear Friends of St. John's Academy,

On Thursday, March 14, 2024, we will be hosting the **24<sup>th</sup> Annual St. John's Academy Red & White Gala** at The Edgewood Country Club. The gala is our school's biggest fundraiser and is also one of the biggest events in Bergen County. What makes our gala unique is this historically sold-out event draws over 400 attendees, from both New York and New Jersey. St. John's Academy is considered one of the most prestigious academies in the area, with parents crossing state lines to send their children, ages 3-14 years, to our school. The money raised directly benefits *several* programs at St. John's Academy, including technology, arts & sciences and many more!

We humbly request the donation of products and/or services to be used as raffle prizes at our event. Your generosity will contribute to the greater good of our academic community and your company/donation will be recognized in several ways – on social media, in press releases, in the early release of the event program and, of course, at the event itself. Furthermore, in addition to the gratitude felt by the St. John's Academy community, major donors are rewarded with advertising exposure to over 1,000 potential new customers.

The St. John's Academy community greatly appreciates your support. With your help, we can continue to provide excellence in education.

With gratitude,

Caroline Wright
