

Saint John's Academy
26th Annual
Red & White Gala

Dear Friends of St. John's Academy,

For 70 years, St. John's Academy has provided quality education for our children with many of our graduates going on to make significant achievements as well as becoming respected leaders in our community. As you may know, tuition at St. John's does not cover the full cost of educating students. Hence, to help keep tuition affordable and to address an ever-increasing need for resources and technology, we raise additional money to support our programs.

On March 19th, 2026, we are excited to be hosting St. John's Academy's 26th Red & White Gala at Edgewood County Club in River Vale, NJ. Every year, corporations and businesses generously provide sponsorships to the gala. The sponsorship donation has been critical to the continued success of the gala, which is our biggest fundraiser of the year.

Your generous support as a sponsor will be recognized and honored during the Gala where your company's name will be visible and presented to over 400 members of our community. We are always beyond appreciative of this support and thank you to all who have previously sponsored this event in the past and to our new sponsors this year.
